Maestro Card: `^(5018|5020|5038|6304|6759|6761|6763)[0-9]{8,15}$`

5893 and 6762 were missing:

Maestro Card: `^(5018|5020|5038|5893|6304|6759|6761|6762|6763)[0-9]{8,15}$`

Depending where you want to use it, this may cover all of the above:

`\b\d{13,16}\b`
